**HEDDA GABLER (PAPERBACK)**

Dover Publications Inc., United States, 1990. Paperback. Condition: New. New edition. Language: English. Brand new Book. Known as the father of modern drama, Henrik Ibsen is considered one of the world's greatest playwrights. His ability to turn revolutionary philosophical ideas into brilliant social dramas inspired the likes of George Bernard Shaw, while his drive to manifest the truths of the human heart is mirrored in the plays of Anton Chekhov. Ibsen's genius, revealed in these four selections, lies in his startling ability to define his characters and their struggles, which epitomize the inner conflicts that beset all human beings. A chilling play of manipulation and obsession, "Hedda Gabler" features one of the stage's most unforgettable modern heroines. A delightful early work, "Peer Gynt" is both a satire on the nature of man and a masterpiece of folklore and fantasy that follows the adventures of an irrepressible youth. Mysterious, lyrical, and tragic, "The Master Builder" symbolically dramatizes the trajectory of Ibsen's own art as well as the impossible aspirations of the soul. This Bantam Classic edition also includes "Little Eyolf," a brilliantly constructed psychological study of paternal responsibility and the impact of a child's death on a man torn between two women.
